No Nation Left Behind: Challenges and Opportunities Of Counselling and Education for All

13 - 17 June 2011 / Holiday Inn SunSpree Resort, Montego Bay, Jamaica

www.iac-irtac.org

On behalf of the Executive Council I would like to invite you to attend the 2011 IAC Conference at the Holiday Inn SunSpree Resort in Montego Bay, Jamaica, 13th – 17th June. The conference focus is on counselling to address education across the life span. It has long been recognized that education is the key to economic and social advancement in any society and must be a principal component of nation-building initiatives. Education improves the quality of life and gives people hope for the future. It can also serve as a channel both for meeting other basic human needs and communicating vital messages that promote safety and well-being. Counselling as a profession and a process can play an active role in promoting educational opportunities. Please join us for this important opportunity to connect with international colleagues and explore ways to promote counselling as a global force for advancing education for all.

I look forward to meeting you on the beautiful island of Jamaica next June.

Sincerely,

Courtland C. Lee, Ph.D.
President
IAC
