# AWARDS CHAIR MESSAGE

As the Association's Awards Ceremony 2022 enters its eighth year of recognizing the members, I accepted the commission to Chair the National Awards Committee for the second time. I'm elated for the support given by my team members. "Truly teamwork makes the dream work"

"Spread love. Hug the people you care about and make sure they know that you care and appreciate them. Make it known to your friends and family that you love them."  
— Germany Kent. Today, we seek to honour members of JAGCE for their sterling contribution to the Education system, we do so with great delight and enthusiasm, as good work and professionalism must be commended.

The Committee carried out the mandate given by our President, Mrs. Tracey-Ann Taffe Thompson. The team took to the task by recognizing the various awards: Membership Awards which includes Long Service, Hospitality, Stalwart, All Star, Award of Excellence; President's Recognition awards, Retirees Awards, among many others.

Today, we recognize past Awards Chair who have paved the way in leading the task of honouring our members. We salute, Mr. Sean Vaughan, who worked assiduously with the team to make this year's awards Gala a big success. To the hard-working committee members, Dorothea Staple-Lawrence my Co-Chair, Mrs. Tate our Office Assistant, our Regional Representatives namely Felicia Pearson Region 1, Monica Thompson Region 2 Jody Ann Kerr Region 3, Sherita Austin Region 4, Diana McConnell Region 5, Mitchelle Fagan McDermott Region 6, Marcia Edwards Region 6, June South Francis Region 7 and our co options Alice Pink, Charmaine Williams, and Kediesha Grant a big thank you. Congrats again Awardees and do enjoy the vision of JAGCE to give back to its members. To God be the glory, great things he hath done this year in making Shades of Purple Awards Gala, 2022 a grand success.

Kirk Morris  
Awards Chair

## President's Message Congratulations Awardees!

You have shined your beacons for all to see throughout 2022. Brand JAGCE continues to maintain a consistent growth trajectory on account of your dedication and tenacity. This evening we pause to clothe you in royalty as a means of expressing our gratitude for the selflessness you have shown those around you. The regions to which you represent are indeed proud of you.

The awards given tonight are by no means an indication of completion but instead serve to encourage all of us to continue serving our institutions, colleagues, regions, and Jamaica. Know that JAGCE is a much better association because of the tremendous sacrifice made by you, for its sustained membership growth.

I quote Denzel Washington who said, 'Man gives you the award but God gives you the reward. 'So it is with pleasure that I, on JAGCE's behalf, express profound gratitude for your service and as you receive your well-deserved award, I am confident that God will also reward you. Continue to shine for years to come!

Traceyann Taffe-Thompson  
President

## President's Designate 2022 Message to the Awardees

Each year the National Awards Committee fosters a delightful aura for the acknowledging of Guidance Counsellors in Education. The distinctive atmosphere at the Awards Ceremony - like a stimulant mitigates the mental and physical fatigue of work.

My heartiest commendations to Mr. Kirk Morris and his team for their diligence, time, patience and unwavering faith in advocating on behalf of our counsellors. Colleagues, this is not a small task and it must be merited. Equally, I laud all the sponsors who responded to the advocacy of this team. Awards Ceremony is a time of celebrating the invaluable, unparallel work and worth of Guidance Counsellors- our colleagues.

Congratulations to all of you who will in your elegance walk with confidence and poised for memorable photo-shoots. I salute you for your accomplishments. Perhaps we all can join with Buju Banton in his song "it's not an easy road...some see the glamour and the glitter so dem think a bed a rose. who feels it knows..."

Awardees, you are Professional Extraordinaires: the service you give, the lives you inspire cannot be adequately recompensed/compensated by JAGCE. However, be encouraged and remain hopeful for the bigger and better things that are promised to you by Jesus Christ our Lord and Saviour. Consider this: "And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be." (Revelation 22:12)

In the meantime, we all know your sacrifices in performing our God given duties. Hence, as you joyfully accept this heartfelt token of love, appreciation and acknowledgement, we all join you in singing "Little is much, when God is in it."

Awardees, you are more than deserving of this token. May God's blessings fill your hearts with joy and peace. See you all in 2023.

Angelica Dalrymple  
President-Elect 2022

# A TRIBUTE TO THE LATE JAGCE

## *Stalwarts*

This is written for two (2) Jamaica Association of Guidance Counsellors in Education (JAGCE) Stalwarts, who transitioned almost a year apart in succession. Their deaths have left vacancies in the Association structure that will be hard to fill. Their lives of service, hospitality, dedication, and commitment will forever be remembered. Orlene Gooden Wellington, Administrative Queen and late President-Elect (2021), and Jeanette Green, the Hospitality Guru (2020), we salute you both. The words of Michael Jackson's song continue to ring through and will forever be a reminder to us all:

"Like a comet  
Blazing 'cross the evening sky  
Gone too soon

Like a rainbow  
Fading in the twinkling of an eye  
Gone too soon

Shiny and sparkly  
And splendidly bright  
Here one day  
Gone one night

Like the loss of sunlight  
On a cloudy afternoon  
Gone too soon

Like a castle  
Built upon a sandy beach  
Gone too soon

Like a perfect flower  
That is just beyond your reach  
Gone too soon

Born to amuse  
To inspire, to delight  
Here one day  
Gone one night

Like a sunset  
Dying with the rising of the moon  
Gone too soon."

The Association will continue to celebrate and acknowledge their memories.

Jeanette was unique in many ways. As we worked together in the JAGC, I found her to be a thorough organizer. She conceptualized fully what it meant to be hospitable and left no stones uncovered as she performed her duty as Hospitality Chair with unmatched diligence and professionalism. She knew the peculiarities of her colleagues and catered to them. She ensured everyone's need was taken care of even if it meant, as it most times did, her going without or eating too late if she ate. She was truly selfless. She knew how to 'hold her tongue, smiling and walking away, not adding to the conversation and not offering any information unless it was positive; even when it's positive, she is more of a silent listener. Do not try to pry her; she will tell you to 'leave Mark Green's wife.' She can never be charged for TMI (too much information). She gave her unique laugh and cleared her throat, and if you know her, you know that she is 'praying and pressing.' She was a true confidant. Even when I spilled my guts about my challenges, she did not even say 'me too; she kept it all in . . . smiling, fixing everybody else. . . placing herself after last. Jeanette! Jeanette! Jeanette! A steadfast supporter with a winsome personality. A beautiful soul! So many pleasant memories and life lessons from the relationship we shared. Heaven, indeed, has the very best. Your memory will be forever etched in my heart . . . till we meet at Jesus' feet.

# A TRIBUTE TO THE LATE JAGCE

## *Stalwarts*

In the words of Tarrus Riley, I shout it from the mountaintops: She's a queen! That's what came to mind when I thought of writing this tribute to Jeanette Green and Orlene Gooden Wellington.

They are women who stood head and shoulders above the rest in their respective fields of service, and they compare to none. I say it without reservation or hesitation; they are in a class of their own because they've carved out by their excellent spirit to be stalwarts in the Kingdom of God and to have demonstrated virtues befitting the professional Association, JAGCE. Their commitment to serving, their selfless character, their understanding of people, their strength and resilience to difficulties, their determination to complete any task with excellence, their quiet humility to take counsel (give counsel), and most of all, their love for their Lord, Master and Saviour, Jesus Christ, are a few testaments of what they stood for and exemplified since the day I was privileged to meet them.

Orlene started as an associate, became a friend, and then my Sistah! That was a journey! We could laugh, cry, disagree, counsel, and have those talks that only confidants could share. Suffice it to say; she's royalty! I'm thankful she heard that from me as often as we spent time together or talked on the phone. Simply speaking, I love you, Orlene, my Sistah!

For those who may be wondering why I write in the present tense, it's because although they have transitioned from the earth, I know they are alive and rejoicing in the presence of our LORD...and that's what keeps me settled in joy, and peace when I think of them.

**Alice Pink, Associate member, friend, and team player**

Orlene had excellent observation skills and was never quick to speak, but when she did, it had a significant impact on change for the betterment of JAGCE. She was always present to serve JAGCE gracefully and willingly.

The memory of that beautiful smile at the registration desk will forever remain. Jeanette worked for JAGCE beyond the interest of taking the time to eat. She was always quick to sound the cry for peace.

**Rochina Anderson, Former Public Relations Officer, President-Elect Candidate 2022**

We have etched their memories into the fabric of the Association by naming these Awards in their honour.

### **The Orlene Gooden Wellness Award**

We acknowledge her outstanding service to the Association, even when not at her best due to her unique health challenges.

### **Jeanette Green Award for Hospitality and Service and the Jeanette Green Scholarship for members and members' children**

We acknowledge her dedication to providing hospitality and service and her belief in educational pursuits as a Guidance Counsellor. Ladies of class, My friends, they were, Being in need, Call them,

Better friends than these,

You'll never need,

They were both,

My Friends for life!

I miss you, my friends, my supporters, my JAGCE, everything. You were always a phone call away. Now I do it without you and in memory of you. We will continue to celebrate your memories while we continue to Care, Share, and make others Aware. May your souls continue to rest in peace. Service over hype, only a few will understand. You are both missed!
